ADMINISTRATIVE POLICY NO. 2021 – 02

Implementation of International Energy Conservation Code 2018

The State of Montana has provided notice (2/18/21) that it has adopted new administrative rules pursuant to adoption of the 2018 International Energy Conservation Code effective February 13, 2021.

01. City Manager Authority for Adoption of Technical Code Amendments

Pursuant to 'Section 12.01.010 (3) *Model Technical Codes and Administrative Rules*', of the Polson Municipal Code, "Any amendments to the codes as originally adopted by ordinance in this chapter which may be adopted by the building codes bureau and which apply to local government jurisdictions, including the adoption of the latest editions of the model technical codes, to include but not be limited to building, plumbing, electrical and mechanical, or applicable Administrative Rules of Montana, shall become effective in the city through automatic adoption upon execution of an administrative order of the city manager unless a different effective date is specified in the administrative order."

02. Adoption of International Energy Conservation Code 2018

Through signature of this Administrative Policy, and effective immediately, the City of Polson adopts the International Energy Conservation Code 2018 for the purpose of regulation, permit, and inspection within our jurisdictional boundaries.

Dated this 22nd Day of February, 2021

Edwin R. Meece, City Manager
