

## Code Compliance Complaint Form

Code Compliance responds to citizen complaints in a timely manner by determining if a violation has occurred; alerting the responsible party that they are in violation; and enforcing compliance through the legal process if need be. The City receives complaints every day. Complaints related to speeding and noise are forwarded to the Police Department or other appropriate department.

Using the form below, complaints will be directed to the Compliance Officer. Anonymous complaints will not be accepted, you must submit a name and phone number.
