SUMMARY

Polson Bay Golf Course is looking for a golf course superintendent to maintain the 27 holes of championship golf. Polson Bay Golf Course is a well-known municipal golf course located in northwest Montana on the south end of Flathead Lake. The course started as a 9-hole course in 1936 with additional 9 holes added in 1989 and 1999. Number of holes: 27; consists of a 7002-yard 18-hole course and 3209-yard 9-hole course with 600+ annual pass holders, with an estimate of 50,000 annual round starts. The maintenance budget is \$800,000. Irrigation system has a Toro Site Pro central control system with Toro sprinkler heads and Watertronics pump stations.

THIS POSITION REQUIRES:

- Degree or advanced certificate in agronomics, turf management or related field.
- Minimum of 1 year as an assistant golf course superintendent.
- Current state certification or licensing as a pesticide applicator or the ability to achieve certification within 30 days of appointment.
- Certification as a Class A underground storage tank operator or the ability to achieve certification within 30 days of appointment.
