

RESOLUTION NO. 14.

A RESOLUTION ESTABLISHING AND CREATING SPECIAL SEWER IMPROVEMENT DISTRICT NUMBER 2 IN THE CITY OF POLSON, COUNTY OF FLATHEAD, AND STATE OF MONTANA, FOR THE PURPOSE OF CONSTRUCTING SEWERS IN SAID DISTRICT, DESCRIBING THE BOUNDARIES THEREOF AND THE PROPERTY TO BE ASSESSED.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF POLSON, MONTANA:

WHEREAS, the City Council of the City of Polson on the 3rd day of January A. D. 1916 duly and regularly passed and adopted Resolution No. 13 of said City declaring its intention to create Special Sewer Improvement District Number 2 of the said City of Polson; and

WHEREAS, pursuant to the said Resolution the said City Council caused notice of the passage and adoption of said Resolution to be published in the Flathead Courier; a weekly newspaper published in the City of Polson; in the issues of said paper of January 6th, 13th and 20th, 1916, and for a period of more than fifteen days immediately preceding the 24th day of January A. D. 1916; and

WHEREAS, the said City Council caused notice of the passage and adoption of said Resolution, together with copy of the said Resolution, to be posted by the City Clerk throughout the City on the 8th day of January 1916; at three of the most public places within the City, to-wit: one at the office of the Police Judge, one at the office of the City Clerk, and one at the office of the City Treasurer; and

WHEREAS, pursuant to the said Resolution No. 13 the City Clerk of the City of Polson did on the 6th day of January A. D. 1916, the same being the same day that said notice was first published in the Flathead Courier, mail to each and every person, firm or corporation, or agent of such person, firm or corporation, having property within the said proposed District, and directed to the last known address of said person, firm, corporation or agent, a notice of the passage and adoption of said Resolution of the intention to create Special Sewer Improvement District Number 2 of said City; and

WHEREAS, said notice was published, posted and mailed as aforesaid, describing the general character of the improvement proposed to be made in said District, the estimated cost thereof, and designating the time when, and the place where, said Council of the City of Polson would hear and pass upon all protests made against the making of said improvement, of the creating of said District, and which said notice refers to said Resolution No. 13 on file in the office of the City Clerk for a description of the boundaries of said Special Sewer Improvement District Number 2, and for plans, specifications and details thereof; and

WHEREAS, the City Council of the City of Polson has met in regular session at the time and place fixed and set by said Resolution, and the aforesaid notice; for the hearing of the protests against the making of said proposed improvement, and the creation of said proposed district, and have heard and full considered all such protests;

NOW THEREFORE, Be it resolved by the City Council of the City of Polson, Montana, that the City Council having heard and passed upon all protests made and delivered to the City Clerk of the City Council of the City of Polson, against the making of said proposed improvement and against the extent and creation of the proposed district within the time specified and provided in Resolution No. 13, and finding said protests to be insufficient, and that the protests are not made by the owners of more than one-half of the area of the property to be assessed for said improvement, and said protests are hereby overruled and denied.

That there be, and there is, hereby created the said Special Improvement District to be known and designated as Special Sewer Improve-

ment District Number 2 of the City of Polson, Montana, in accordance with Resolution No. 15 of its intention heretofore introduced and passed by the City Council; that the character of the said improvements to be made in said Special Sewer Improvement District Number 2 is described as follows, to-wit:

The said improvements shall consist of a Water Carriage Gravity Sewer System primarily for the conveying of house sewage, but to a certain extent to be used for combined storm and house sewage, said sewage to be emptied directly into Flathead river without treatment. In the construction of the said sewer system, circular vitrified pipe ranging in size from eight to eighteen inches in diameter, inside measure, will be used, cast iron pipe will be used for discharging into the river.

Said system will contain suitable flush tanks, catchment basins, man holes and lamp holes to insure the proper operation and inspection and maintenance.

The construction of this system will require the placing of approximately the following amount of circular vitrified pipe:

6193	linear feet of 8 inch pipe
1432	" " " 10 " "
4640	" " " 15 " "
1749	" " " 18 " "
