

City of Polson Race Unity Day Proclamation

Resolution No. 2017-013

Whereas, the world is comprised of a multitude of races, ethnicities, spiritual beliefs, and cultures,

Whereas, in the course of living together on this planet, there have been hosts of wars and divisions based upon these characteristics,

Whereas, these characteristics, viewed worldwide, make up a beautiful cultural diversity of which we should be proud,

Whereas, the peoples of the world collaborate to bring about uniform policies and goals,

Whereas, it is to the benefit of all that we live peacefully together on this planet,

Whereas, by living peacefully, we can better attend to issues, such as healthcare, education, and the environment that affect us all,

Whereas, the development of those policies that address common issues such as healthcare, education, and the environment are best addressed collaboratively,

Now, therefore it be proclaimed that June 11, 2017 shall be known as

Race Unity Day

Passed and Duly Adopted this 5th day of June, 2017
